

Autobiography of Madeline Miles

Hi- I'm the leader of the Tiger Team and a lover of magical things. My name Madeline but on the Tiger Team my name is Flare. (Flame is my name and fire is my desire.)

I have 1 brother, a mom and a dad. My mom has a great relative who invented the Bowie knife, which is a very skinny knife. My mom's dad used to drag race. His car was called the Yakkity Yak Pontiac. Unfortunately he sold it.

Earlier I mentioned I love magical things. My favorite magic creatures are Phoenix, Gryphon and my very favorite is a Dragon. I also like Hippogryphs. My favorite magic weapon is a Fire sword and a shield. My favorite attacks are flaming fist of fury and thunder kick.

My brother has a fat cat named Panther and I have a cat named Meowy. They are American Short hair. I have always wanted a Scottish Fold kitten.
